**Registration Deadline: May 19, 2017.**

***Don't Wait. Get an Early Start!***

**TOPIC:** *“Exploring the Capability of Robotics Engineering”*

9th - 12th Grade  
Students compete for  
Awards and  
Scholarships

**Projects will be  
judged based on:**

- Robot performance
- Understanding of basic operations and concepts
- Project engineering notebook
- Exhibit
- Oral presentation

Students will design, build, and program mobile robots to compete against other students at the chapter, region and ultimately, national level.

*Blacks In Government promotes equity in all aspects of American life, excellence in all we do, and opportunities for all Americans*
